

# MUSEUM DONATION FORM

Your support is needed to keep the museum going, funding current projects, and planning for its future.

## GENERAL FUND

The **GENERAL FUND** is used to meet the operating costs of the Museum. Any expenses not covered by one of the special funds are paid from this fund. Expenses like utilities, insurance, and the upkeep of our buildings and grounds are paid from this fund. Contributing to the **GENERAL FUND** allows the directors to use your contributions where they are needed the most.

## TRACK & OVERHEAD FUND

Contributions to the **TRACK & OVERHEAD FUND** are used for the maintenance and expansion of the Museum's demonstration railroad's track and overhead. Our current goal is to expand our trolley operation by adding additional operating track.

## CAR FUND

Contributions to the **CAR FUND** are used for the maintenance and restoration of the Museum's trolleys.

## BUILDING FUND

Contributions for the **BUILDING FUND** will be banked and used towards the construction of our next carbarn.
