MUSEUM MEMBERSHIP

The key to the success of Northern Ohio Railway Museum is the dedication of its volunteers. The Museum is always looking for new volunteers. If you would like to become one, there are many opportunities awaiting you. Whether you volunteer one day a month or several hours a week, your skills and efforts will go a long way in helping preserve a piece of Ohio's heritage. Ask any Museum volunteer any questions or for a membership application.

DONATIONS

Preserving history, particularly railway history, is an expensive proposition. Members' dues and trolley ride tickets alone cannot cover the costs involved in operating the Museum, restoring its trolley car collection and developing its demonstration railroad. The Museum needs your donations to make these things happen. Your donations of money, materials or services are always needed. You may designate your monetary donation for general use or a specific project fund. Ask any Museum volunteer about making donations to the museum. Donation fare boxes are located around the museum and on board the operating cars. Your support is greatly appreciated.

The Museum is located at 5515 Buffham Road in Westfield Township, Medina County, Ohio, near Chippewa Lake and Seville. From the I-71/I-76/224 interchange, take 224 west 4/10 of a mile to County Road 19 (Lake Road). Turn right (north) on Lake and go 6/10 of a mile to Buffham Road. Turn right (east) on Buffham and go 1 mile. The museum will then be on your left.
